THE KANEBRIDGE ADVANTAGE

Over 43,000 Items

Kanebridge is a master distributor with over 43,000 items in inventory, including almost 10,000 Stainless Steel and 2,000 Military fasteners.

Order By Credit Card

We accept Visa, MasterCard, Discover and American Express for new sales orders and outstanding balances.

Same-Day Shipping

All orders placed by 5pm can ship the same day when using UPS. Emergency orders are ready within one hour. Airfreight orders placed by 7:45 PM Eastern (4:45 PM Pacific) can ship same day (based on stock availability in our California warehouse).

Free Certifications

Chemical & Physical certifications are available on all thru-hardened parts and all items made to military specifications. We also keep all certifications on file and properly archived. Access any certification anytime you need it at no charge.

Fastener Specifications Guide

Kanebridge's newest 6th edition of its Fastener Specification Guide is available from stock in all 3 of our branches. This hard cover reference volume is the most comprehensive and up-to-date collection of fastener specifications Kanebridge has ever offered. The Specification Guide can also be accessed online at www.kanebridge.com.

No Fault Return Policy

We will accept returns of full carton quantities for any reason. There is no restocking charge on items returned within 30 days, without any alterations and accompanied with a return authorization. Material returned after 30 days will be subject to a 20% restocking charge; after 90 days returns may not be accepted. We prefer returns in our original boxes and lots must not be mingled. Thru-hardened or military grade fasteners will not be accepted unless returned in the original box(es).

99% Service Level

99% of the items listed in this catalog are available from stock every day from one of our three warehouses located coast to coast: New Jersey, Illinois and California.

Traceability

Lot control is maintained on all items in our inventory.

Drop-Shipping

Kanebridge can ship orders directly to your customer with a packing list and shipping label that show you as the vendor. Combine with our Custom Label service for a simplified method of shipment.

Custom Labeling

Streamline your receiving operations by letting Kanebridge affix custom labels to each box you order. Include any information you need; part number, part description, lot number and country of origin in alphanumeric and/or bar code formats.
